Collège communautaire du Nouveau-Brunswick

Medical Examination

General directives:

Students must undergo a complete medical examination in order to comply with regional health authority, nursing home, and family and community service organization regulations.

- **Anyone who does not meet the requirements will be refused access to clinical practicums.**
- **This form must be completed and returned to the designated person (program coordinator or person responsible for the form) at the start of the program.**
- **According to *Policy 4107 – Exigences en matière de santé de l'étudiant* of the Collège communautaire du Nouveau-Brunswick, a student who has or believes he or she has a contagious or notifiable disease must report to one of the appropriate authorities immediately (public health services, nurse, nurse practitioner or doctor). The *New-Brunswick Regulation 2009-136* adopted under the *Public Health Act (Article 94 – Notifiable diseases)* could apply.**
